Business Lockdown Support : Update

The support available to individuals and business has been constantly evolving and changing. Here's a summary of where support stands around the country.

1. Queensland Business

\$5,000 Business Support Grants are available for those impacted by the lockdown from Saturday, 31 July 2021. Your business does not have to be in the local government areas locked down but needs to be impacted by it.

Small and medium businesses and not for profit organisations eligibility criteria include:

- must employ staff (employees must be on your payroll and does not include any business owners)
- have a Queensland headquarters
- must have an annual turnover of more than \$75,000
- must have an annual payroll in Queensland of not more than \$10 million
- must show or declare a reduction in turnover of 30% or more for a 1-week period that includes at least 1 full day of the:
 - South East Queensland lockdown commencing 31 July 2021
 - the Cairns and Yarrabah lockdown commencing 8 August 2021
 - or
 - any other lockdown in Queensland in August 2021.

How to apply

Applications opened today - see [Business Queensland](#) for details. Your application will need to include the required supporting evidence. Grants will be processed in the order that they are lodged, therefore your early lodgement is important.

You will be paid the grant funds within 2 weeks of being notified that your application has been approved.

2. NSW - Business

In New South Wales, the following grants and payments are accessible:

- Up to \$100,000 in weekly JobSaver cashflow support payments. Payments are based on 40% of your NSW payroll payments. Eligible businesses without employees that meet the eligibility criteria (such as sole traders with no employees), can access a payment of \$1,000 per week.
- Up to \$15,000 through the expanded NSW 2021 COVID-19 business grants program
- NSW micro-business grants

The decline in turnover test required for the JobSaver, COVID-19 business and micro-business grants has been causing a lot of angst but some additional flexibility has been provided. Businesses and non-profit entities can now pass this test if they can show a decline in turnover of at least 30% due to the Public Health Order over a minimum 2-week period within the relevant test period compared to:

- The same period in 2019;
- The same period in 2020; or
- The 2-week period immediately before the start of the relevant test period.

The test period depends on which payment you are looking at:

- COVID-19 business grant: 26 June 2021 to 17 July 2021 (this is changed to 27 May 2021 to 17 July 2021 for entities on the NSW border with Victoria);
- JobSaver and the micro-business grant: 26 June 2021 until the Greater Sydney lockdown ends.

This additional flexibility is helpful for businesses that started after the comparison period in 2019 and for those that have undertaken an acquisition, disposal or restructure.

3. Victoria - Business

There are two main streams for grants in Victoria:

- Those who qualified for the Business Costs Assistance Program Round Two or the Licensed Hospitality Venue Fund 2021; and
- Businesses that previously did not access grants

Existing grant beneficiaries

If your business previously received the Business Costs Assistance Program Round Two or the Licensed Hospitality Venue Fund 2021, additional grants of \$2,800 for the Business Costs Assistance Program Round Two and up to \$20,000 for the Licensed Hospitality Venue Fund 2021 have been announced. Your business cannot retrospectively apply for these grants. See [Helping Victorian Businesses Who Need It Most](#).

New grants

For businesses that did not access previous grants, the [Business Costs Assistance Program Round Two July Extension](#) offers grants of \$4,800 for employing and non-employing business depending on your sector. For those in the hospitality sector, a new [Licensed Hospitality Venue Fund 2021 July Extension](#) is available offering grants of up to \$7,200 for each eligible premises. Applications for both grants close 13 August 2021.

A new Small Business COVID Hardship Fund grant of up to \$8,000 has been announced for businesses that are not eligible for existing support funding. To access the grant, your business must be severely impacted by the COVID-19 lockdowns with a decline in turnover of 70% or more. No further details are available at present.

Other support

For Alpine businesses, additional grants between \$5,000 and \$20,000 will be available to 430 Alpine based businesses. See the [Alpine Resorts Winter Support Program](#) (closes 20 August 2021).

Rent relief for commercial tenants is also now in place for businesses that have suffered a decline in turnover of at least 30% as a result of COVID-19. Landlords will be required to provide proportional rent relief in line with a business's reduction in turnover and mediation is available through the Victorian Small Business Commission. A hardship fund will be established for landlords providing rent relief although no details are available as yet.

3. South Australia - Business

Grants of \$3,000 for employing businesses and \$1,000 for non-employing businesses are available to businesses that experienced a decline in turnover of at least 30% as a result of the health restrictions from 20 July 2021. The grants are available to those with a turnover of \$75,000 or more and Australia wide payroll of less than \$10 million. See [COVID-19 Business Support Grant – July 2021](#) for details.
